MEMORANDUM FOR: Deputy Director for Administration

SUBJECT : Weekly Report

25X1C 1. OC is working with the [REDACTED] on plans
25X1A for supporting [REDACTED]

25X1C [REDACTED] Because of the large message volumes exchanged
25X1C during his travel, [REDACTED] is planning for two dedicated cir-
cuits with each location. OC will provide one circuit and [REDACTED]
will request temporary leases to provide the second channel.

25X1A 2. A software problem has developed in the ARS-I at
25X1C [REDACTED] causing a delay in the departure of the remainder of
the Headquarters test team. A new ETD is not yet available.

25X1A 3. A [REDACTED] OC technician is currently enrolled [REDACTED] in
25X1C OC's Basic Installation Practices course. It is expected that
several more [REDACTED] technicians will be trained this year.

25X1A 4. The OC COMSEC Staff is working with the Agency Safety
Officer and a representative of the Department of Labor, Office
of Safety and Health to determine what precautions must be taken
to protect employees working in the encapsulation facility at [REDACTED]
from the toxic fumes generated by the processing.

25X1A 5. The present leased circuit between [REDACTED] is
being cancelled and will be replaced by a newly engineered cir-
cuit. This action has been taken in an effort to gain a better
quality circuit for support of the Far East [REDACTED] network. 25X1A

25X1A 6. On 20 November [REDACTED] will address the JCS/DIA Orientation
on the subject of CIA's Communications in support of the Intelli-
gence Community.

25X1A 7. On 22 November [REDACTED] will attend a meeting with General
Paschall and the NCS Principals.
